APPEAL TO ALL COLLEGES AFFILIATED TO BANKURA UNIVERSITY

Our state, country and the entire world, for the last few months, have been in the grip of a crisis of colossal proportions with the onset and spread of Covid-19 which has led to loss of lives and livelihood and has posed serious threats to human existence. Such extraordinary circumstances have necessitated extraordinary responses from all with an aim to mitigate, adapt and start things again.

In compliance with the Ministry of HRD, Government of India, University Grants Commission and Higher Education Department, Government of West Bengal directives, Bankura University has persevered to take steps to continue the teaching-learning process through e-learning and remedial classes, and initiate assessment methods through revised examination modes and procedures.

Pursuant to economic hardships faced by all sections of society including our students and their families, Bankura University has also strived to substantially reduce examination related fees **by almost 40% of existing Fees Structures** so as to provide necessary support to our students.

Thus, in such an unprecedented situation, I would like to appeal to all colleges affiliated to Bankura University to kindly extend their support to all our students and their families with reduction in college fees payable by students, as applicable, so that we are able to jointly strive towards the mitigation of difficulties and uncertainties faced by our dear students.
